

## REMARKS

Notwithstanding Applicant's disagreement with the Examiner concerning the propriety of combining the Van Ryzin and Martino references and the teaching of the combination of these references, Applicant has amended independent claims 1, 8, 10, 14, 16, 20 and 21. These claims and previously presented claim 9 all address multilingual aspects of intersection guidance. This feature is neither taught nor suggested by the references cited by the Examiner.

Applicant has submitted a Request for Continued Examination and a Second Supplemental Information Disclosure Statement with this Amendment.

Applicant respectfully submits that the claims as presently pending are in condition for allowance.

Respectfully submitted,
